It's one of those happenings in a lifetime that comes to a family.

Receiving degrees from Olivet will be C. S. with an honorary Litt. D., and Barbara with the B. Mus., and Carol who will get her high school diploma from Bradley High School. ## 260 Issues Of Glimmerglass Sent Off-Campus; Operates On \$3,000

Each issue of this year's Glimmerglass had an off-campus circulation of 260 and was sent to 27 states and three foreign countries.

This includes about 40 advertisers, 220 subscribers, six colleges, and 11 service men.

Business Manager LaMarr Deaton also reported that the paper ran on a budget which surpassed the \$3,000 mark considerably. There was over \$2,100 of commercial advertising in the paper and the rest came from student activity fees.

The printing bill for the 14 issues was approximately \$2,200 and the engraving bill for pictures \$325. Salaries for the editor and business manager were \$200.

There was approximately 30 ads in each issue. There were four four-page issues, nine six-page issues and today's eight-page edition, probably the largest in the paper's history in column inches.

Column inches numbered 5,850 for all 14 issues this year. The 14 publications also probably are the most ever produced in one year.

# Look To Better Days After Leaving Olivet

From freshman orientation week to the graduation exercises, this year will be remembered as one of the greatest in the history of Olivet Nazarene College.

This statement can be made only because of the devoted leadership which has been exemplified and the consistent cooperation the student body has given the leaders.

It is not necessary to reiterate the improvements and projects which have been executed successfully since they are all quite evident.

The admonition to continue this progressive activity should be made, however. Instead of looking back dreamily on what has been accomplished we need to look into the future for even greater heights to attain.

When school is dismissed this semester many Olivetians will leave to enter various fields of endeavors. Some will not return next year. Seniors will depart with diplomas hoping they are prepared to meet the demands of creative living.

Freshmen, sophomores and juniors will leave for the summer months. Some will return in September but others will have their college plans disrupted by other activities.

Whether returning to Olivet or not we always should uphold the high ideals and standards which have been exemplified this year. Olivet students can have a better year in 1954-55 than they have had in 1953-54.

If this bright future becomes a reality, it will have to be built on positive thinking and hard work. These are the essential elements needed to bring any person success. These are the two things responsible for the success of this school year.

Wherever the roads of life may lead the present student body of Olivet Nazarene College it is hoped that on the road will be found a successful, positive thinking individual making his or her contribution to society.

God undoubtedly wishes this for all His creation. This school year should be an impetus to help us attain the high levels of living that are available for us.

The Glimmerglass editorial writer for 1953-54 would like to close his last editorial with the following prayer:

"Lord, wherever the members of the present Olivet student body go in life may they always be found displaying high ideals and standards in all areas. Please, give all the success and happiness possible to each present Olivetian. Amen."

## Religion

In the

SPOTLIGHT

BY MILLARD REED

Nine months and a host of experiences have passed since school began. During this time, it has been the duty of your religion editor to observe and report religious functions of interest.

This has been an extraordinary pleasure, for I have observed a fervor and zeal in all these activities.

The revivals have been especially blessed by the presence of God. The lectures have been rich and invigorating, and the devotional chapel services have been of immense value.

God has marked the organizations with outstanding years. Prayer Band has enjoyed an outstanding year with the redecorating of the chapel and unexcelled attendance.

Ministerial Fellowship has brought to pass a tremendous project in the organization of a church in Braidwood.

The Missionary Band has worked consistently and has raised sufficient funds for the chapel in Japan.

To mention all spiritual accomplishments would be to review each personal victory which, of course, is an impossibility. But may it suffice to say that God has blessed us both individually and collectively.

May I, in the last edition admonish each of you to carry with you as you go from this campus, even more of God's grace so that future days may be marked by God's continued blessings.

## Nees Speaks

### A House Of Wisdom

BY L. GUY NEES

When one comes to the end of a school year he should be able to say with joy, "This is what I have learned this year." As you take inventory of the past nine months what accomplishments and progress can you list?

There doubtless are many areas of specific knowledge and information that could be given in reply to such an inquiry. Specific knowledge is very important in special fields of labor.

However, I wonder if you have learned the really important things. Have you built a House of Wisdom? The wise man declared in Proverbs 9:1, "Wisdom hath builded her house, she hath hewn out her seven pillars."

What are these seven pillars of the house of wisdom? The context of this scripture seems to reveal these seven things, or pillars.

1. The fear of the Lord. Proverbs 9:10, "The fear of the Lord is the beginning of wisdom."

2. Knowledge. Proverbs 8:10, "Receive knowledge rather than choice gold."

3. Prudence. Proverbs 8:12, "I, wisdom dwell with Prudence."

4. Understanding. Proverbs 8:14, "Counsel is mine, and sound wisdom; I am understanding; I have strength."

5. Humility. Proverbs 8:2, "With the lowly is wisdom."

6. Teachableness. Proverbs 9:9, "Give instruction to a wise man, and he will be yet wiser."

7. Righteous Judgment. Proverbs 8:20, "I lead (walk) in the way of righteousness in the midst of the paths of Judgment."

Whatever else you have learned these are essentials. A house of Wisdom cannot be built without these pillars.

Have you hewn out these pillars? If so — strengthen them. If not, begin construction today.

May God bless you all through the summer months. I hope to see most of you back next fall.

### John Hanson Receives Freshman Math Award

John Hanson has been awarded the standard mathematical tables achievement award for freshmen, Dr. R. Wayne Gardner, chairman of the Olivet department, announced recently.

## Hard To Determine If Strickler Prefers Photography Or Teaching

BY DARRELL HOLLAND

It's hard to determine whether Dwight J. Strickler is a full-time professor or photographer.

Although he spends countless hours working in photography it's hard to get Professor Strickler to talk about his hobby. He would rather talk about botany.

Whatever causes the reluctance to talk by the 47-year old professor, his work still speaks in the form of a flash-bulb camera at almost every event at Olivet of any importance.

He has been chairman of the department of biology for 12 years and also has been sponsor for the *Aurora*, yearbook, for 16 years.

#### Been Photographer 12 Years

For the past 12 years the science teacher has been dabbling in photography and it is through his efforts that most of the

school events are preserved in pictures.

DWIGHT J. STRICKLER

He estimates he takes about 1,500 pictures in a normal year, and that he spends at least 25 hours per week either taking pictures or working in the dark-room.

"Prof", as most of the students call him, is a veteran member of Olivet having attended the school from 1925-29, and he has been a faculty member since 1930. He also holds the M. A. degree from Michigan State College.

#### Takes Glimmerglass Pictures

Strickler, who is married and has two daughters, is in charge of the school's publicity photography and also was *Glimmerglass* photographer this year.

Professor Strickler calls his work "very fascinating" and when it ceases to be so to the veteran Olivetian the school's pictorial history is going to be dealt a hard blow.

### Others Expected To Follow

## COMMENTS

— ABOUT —

### World Affairs

BY HARRY ROMERIL

Many are wondering what the next step will be in Indo-China for the U. S. Some predicted that we would send troops into that area.

However, the latest reports indicate that U. S. troops will not be sent into Indo-China to fight France's war. There are two reasons for this: (1) we do not have any possessions in that area and (2) if we did go in we would soon be paying for the whole war.

Vice-President Richard Nixon is trying to smooth over the rift between certain members of the Republican party and McCarthy. Prominent Republicans feel that it is vital for the party to maintain harmony in view of the November elections.

As it stands now, there probably will be a Republican Senate and a Democratic House in 1955.

## Musical Glimmers

from  
Goodwin

BY ANITA RICHARDS

Sixteen graduates will receive either the bachelor of music or the B. S. in music education degrees this season from Olivet — the largest music class in Olivet's history. These 16 students represent seven states and Canada.

\* \* \*

The recent Music Educator's National Conference convention at the Conrad Hilton Hotel in Chicago was well attended by the music faculty and several students. Faculty members who participated in the various sessions were Dr. and Mrs. Walter B. Larsen, Dr. Ella Leona Gale and Professors Kenneth Bade, Daniel Liddell, Jewell Flaughter and Margaret Mae Woodruff.

\* \* \*

Another out-of-town event was enjoyed by many music-lovers, this being the concerto recital at the University of Illinois on May 9, in which Kenneth Bade was presented. Bade, who will receive the master of music degree this spring, played the Poulenc Organ Concerto.

\* \* \*

Many students, faculty and friends of Mr. and Mrs. Irving Kranich constituted an appreciative audience at St. Paul's Episcopal Church last Sunday afternoon, when the couple presented their joint recital.

Irving's rich tenor voice was especially suited to the sacred numbers chosen and Mrs. Kranich's organ selections were most satisfying. The recital was sponsored jointly by the St. Paul's Episcopal Choir, of which Mrs. Kranich has been the choirmaster for the past eight years, and by the Olivet music Department.

Mrs. Kranich has been a member of Olivet's music faculty since 1951 and Mr. Kranich will this spring receive the B. S. in music education degree. They plan to locate this fall in Flint, Mich.

\* \* \*

Climaxing the musical events of May 16 was the home concert of Orpheus Choir in the College Church. Here members and friends of the church experienced the same musical response which was expressed by audiences in twelve concerts on the choir's recent tour.

\* \* \*

The final social activity of the year for the Olivet Symphony Orchestra will be a luncheon at Yesteryear next Wednesday. That evening at 8:30 they will present the 41st annual commencement concert.

## 41st Commencement Concert Set Wednesday

Dr. Walter Larsen  
To Direct; Student  
Soloists To Perform

Student soloists, the Brass Choir, and the College Choral Society will combine with the Olivet Symphony Orchestra to present the 41st annual Commencement Concert at 8:30 p. m. next Wednesday in Birchard Field House.

The concert will be directed by Dr. Walter Burdick Larsen. Professor Harlow Hopkins will serve as the assistant conductor.

Paul Coleman, tenor, of Flint, Mich., and candidate for the bachelor of music degree in church music, will open the evening's program with Allitsen's "Like As The Hart Desireth," arranged for Olivet's orchestra by Prof. Jewell Flaughter.

Baritone soloist of the evening will be R. Forrest Witbeck of Farmington, Mich., candidate for the B. S. in Music Education degree. Witbeck will sing the beautiful aria, "Vision Fugitive," from Herodiade by Massenet.

## 3 Pianists To Play

Three pianists will be presented. Winard Wilhoite of Louisville, Ky., will play the first movement of Schumann's Concerto in A minor and Misses Barbara McClain and Phyllis McGraw will play the Concerto in E-flat Major for Two Pianos and Orchestra (first movement) by Mozart.

Prof. Carl Bangs will direct the Brass Choir in the Allegro movement from Beethoven's Sixth Symphony and "The Triumphal March" from "Peter and the Wolf" by Prokofiev, and the symphony orchestra will play Tschailowsky's lovely "Waltz of the Flowers" from The Nutcracker Suite, which features the woodwinds and horns of the orchestra and harpist, Gerald Newby.

# Year's Events Indicate No Room For Boredom

BY MARILYN STARR

Olivet College's school calendar for 1953-54 has been one full of interesting and unusual activities.

## September

September brought 275 "green" freshmen to our campus, making the enrollment reach almost 900. During the orientation a three-day Bible Conference was held with Dr. W. T. Purkiser as the principal speaker. The juniors attempted to sneak but were caught "red-handed" by their pursuers the seniors. Finally the seniors left for New York City on their annual trip.

## October

October was not as busy as the previous month but just as important. 14 seniors were named to Who's Who. Rev. Miss Fairy Chism and Prof. Ronald J. Rush were the workers in the Fall Revival. Harlan Heinmiller was the speaker for the third annual Nazarene Businessmen's Conference. The Halloween Party was a gory and ghostly success.

## November

November meant homecoming for the college Alumni. The 12th annual Tip-Off started off with a parade, the first of its kind on the campus. Ten floats were entered. Marilyn Mattax was crowned Tip-Off Queen before an audience of nearly 2,000. The "O" Club beat the Alumni in both games. Twirp Week followed the homecoming with many of the fellows dated up for the six days. Football and softball all-stars were announced. After all of these exhausting activities the students left for Thanksgiving vacation.

## December

The presentation of Handel's "Messiah" by the Orpheus Choir was the main event of December. 1,500 attended the two concerts. The annual Christmas Party given by the Student Council was held in the Civic Auditorium. On the 18th a happy student body left for a long-awaited Christmas vacation.

## January

January brought O.N.C. students back to campus ready to fill or break the resolutions for 1954. The dreaded semester exams were given, passed (?) and forgotten. Nine students preached in the Youth Revival. Prof. Daniel Liddell had charge of the music. The Symphony Orchestra presented a concert in Howe Chapel. Second semester registration opened and finally ended with 832 students enrolled.

## February

The Board of Trustees visited the campus in February for their meeting. A \$544,801 budget was approved, the largest in history. Commerce Club members attended a banquet at the Yesteryear. W.R.A. Open House was a success with 300 people attending. Dr. Russell V. De-

Long was the speaker for the five-day Kankakee Holiness Convention. Phyllis McGraw, Paul Coleman and Barbara McClain gave their senior recitals.

## March

March came in like a lion—roaring for more library pledges. \$35,075 in pledges was taken in the previous month making a total of \$108,000. Prof. Ray Moore, Dr. Harold W. Reed and Rev. L. Guy Nees carried on the leadership of the Spring Revival. After many months of hard work the Aurora staff sent the book to press. The Roadsign project of the Student Council was launched and carried out. The Bloodmobile visited the campus taking away 137 pints of blood. Dr. Mendell Taylor addressed the Ministerial Fellowship-Platonic Philosophical Banquet group.

## April

April brought an honor to an ONC student — Ruth Peters was elected president of the Illinois state F.T.A. Orpheus Choir left on its 1,600 mile annual tour through Illinois, Michigan, Ohio and Indiana. Senior-Junior Party was held at the Kankakee YMCA. Three and one-half months of hard work had taxed the strength of the students so they left for Easter vacation. After their return Dr. Harry E. Jessop presented his second annual lecture series. Basketball all-stars were announced. 15 seniors were elected to Phi Delta Lambda. The Glimmerglass Banquet was held at Mickelberry's in Chicago.

## May

The merry month of May finally arrived bringing its usual amount of banquets and parties. Orpheus Choir traveled to the Spinning Wheel for its banquet. Junior-Senior Banquet was held at the Sherry Hotel in Chicago with Dr. Hiram J. Mc-Lendon as speaker. The same night the Freshman-Sophomore Party was given in the Bradley gymnasium. Many engagements were announced — "In the spring a young man's fancy ...." Millard Reed and Harvey Galloway were elected as president and treasurer respectively, of the Student Council for 1954-55. Field Day was carried on despite the winter winds. Trojan Society succeeded in taking the trophy. The 1954 Aurora arrived and students are still busy signing their "John Henrys."

As you read the last Glimmerglass the activities of the school are almost ready to close, but the memories of these activities will live on in the mind of each student for many years to come.

# PICTORIAL REVIEW OF YEAR AT OLIVET

JACK KAMMER and John Cook found themselves taking orders from Sophomore Rhea Buchanan during the annual freshman Labor Day Sept. 28.

PICTURED before their Tip-Off battle against the Alumni five last Nov. 13 in the "O" Club team. The school boys won 78-66. Looking through the big "O" they are (l-r): front row — Chuck Taylor, Bob Meyers, and Wendy Parsons; second row — Jim Mitchell and Chuck McCullough; back row — Jay Arledge, Bud Johnston, Elmer Wilson and Don Williamson.

FORTY-TWO enthusiastic seniors left the Olivet College campus Sept. 25 on the annual senior trip to New York City. Discussing last minute de-

tails are (l-r) Charles Pauley, Marilyn Starr, Jack Jones, Al Wells and Phyllis McGraw.

CHUCK MCCULLOUGH, a senior, has been president of the "O" Club this year.

WALTER LOFTICE, 1953-54 Student Council president, has proven himself to be a tireless worker this year in leading the student body in its activity program.

DAVE BROWN, classy Spartan forward, set a new Olivet basketball scoring record when he tallied 42 points Feb. 23 in Birchard Field House.

DON COSSACK'S Male Chorus performed before approximately 1,000 persons last Oct. 15 in the Kankakee High school Auditorium for the most successful Lyceum program of the year.

DANNY LIDDELL'S OLIVETIANS, one of the most outstanding musical organizations at Olivet this year, helped to open the Christmas season in Kankakeeland Dec. 11 by presenting a Christmas concert at Small Memorial Park.

PRESIDENTS Harold W. Reed (right foreground) and Walter Loftice launch the first shoe-shining day March 29 in the foyer of the Administration Building to raise funds for the Student Council's road sign project. Eight signs were placed on highways surrounding Kankakee.

## Dots ... from DAVE

BY DAVE MILLER

"Babe Ruth, one of baseball's greatest, one day laid down a sacrifice in order to advance a fellow teammate from first to second. He could have swung for the fences—maybe have been the hero—but he was content to sacrifice, and help the other fellow."

These were the masterful words of Rev. Ross Emerick, of Bay City, Mich., the speaker at the ninth annual "O" Club Banquet held last Saturday evening at the Old Spinning Wheel Restaurant.

Rev. Emerick, one of the Church of the Nazarene's outstanding youth evangelists, was an outstanding basketball on the University of Pittsburgh cage squad in 1935. However, in a tent meeting (between his sophomore and junior year) he was converted, finally gave his life to Christ and to the full-time ministry, and entered Eastern Nazarene College.

From here, he emerged to be one of the movement's outstanding speakers, winning hundreds to Christ. Last Saturday, a strange quietness was felt as Rev. Emerick expounded in 20 short minutes the three factors in youth's life — ability, personality and character.

"We need Christian coaches, Christian athletes, Christian men and women today who are not ashamed of the gospel of Christ — for it is the power of God, unto salvation'."

\* \* \*

Congratulations to the 70-some athletes who received their letter awards in chapel services yesterday. Prof. Vail did a tremendous job of handling the service — does he ever do anything wrong?

\* \* \*

The 72-player field of the men's table tennis was finally completed May 10, and we congratulate West Virginia-bred Darrell Holland for his champion laurels — defeating Paul Stinnette in the finals. Chuck McCullough was third.

\* \* \*

Chuck McCullough did a splendid job in making the 1954 "O" Club Banquet a reality. Many said —and we agree — it was the finest banquet of the year. Don Watson is the new "O" Club president; Bob Squires, vice-president; and Wendy Parsons, secretary.

\* \* \*

**HATS OFF:** In our final issue, we would like again to praise our wonderful, spiritual, athlete director — Prof. Elmore Vail. He has been a real inspiration to all of us — spiritually, socially, academically, and athletically. His recent election as Student Prayer Band sponsor asserts that statement. Truly, Nampa's loss was OUR GAIN.

\* \* \*

It has been a real privilege and joy to talk with you in this column twice a month. May God grant that our paths cross again.

# Indians Take Sports Trophy

## "Blue" Lads Finish First On Field Day

It was a "Blue Day" for the 24th annual Olivet Field Day staged May 4 on the Olivet oval.

Blue because the blue-clad Trojans walked away with all the honors. The Trojans compiled a hefty 95 points to 60 for the runnerup Indians, and 23 for the Spartans.

With this contest, the Trojans hopped ahead of the Indians in the all-school race. The Blue girls outscored the Indians, 27-24, thanks to the last event victory (running high jump) by Mary Jo Cannon.

### Humble Breaks Record

Highlight of the meet was Dave Humble. The 5-11 freshman from Sullivan, Ind., cleared the old pole vault mark of 10' 7 $\frac{1}{8}$ ", set in 1940 by Beryl Spross. Dave kept the crowd cheering until he finally settled for 11 feet, 3 $\frac{1}{2}$  inches — a mark that probably will never be broken at ONC.

Frosh Jim Smith walked off with scoring honors with firsts in the 100 yard dash, and running broad jump, and a second in the running high jump — for 13 points. Dale Metcalf (Trojan) had 11 $\frac{1}{4}$ ; Dave Brown (Spartan), 11; Harold Rose (Trojan), 10; Tom Murray (Trojan), 10; Paul Frank (Trojan), 9 $\frac{1}{4}$ ; and Clint McLouth (Trojan), 9.

In the women's events, only three individuals topped more than eight points — enough to win letters in track. They were Indians Jean Schray and Norma Blochberger, and Trojan Marlene Hiner. Schray was the women's top scorer with two firsts (running broad jump, and 100 yard dash), and a second and third for 14 total points.

### MEN'S EVENTS

## M. DeBooy To Lead WRA Next Year

Marge DeBooy has been elected president of the Women's Residence Association for the coming year.

Council members chosen were seniors — Glenna Nance, Joyce Mandley, Betty Nauman, Elsie Morse; juniors — Bev Hickler, Marilyn Starkey, Jean Ann Lee, Kathy Yogi; sophomores — Pat Seelye, Louise Fallis, Ella Mae Anderson.

Other officers will be chosen next September, Miss DeBooy stated.

## NYPS Reelects Don Carpenter

Don Carpenter has been reelected president of the College Church Nazarene Young People's Society for the 1954-55 school year.

Other officers are Harry Romeril, vice-president; Mary Margaret Birchard, secretary; Bob Bowman, treasurer.

FINAL STANDINGS

Spartans	5	1	53	39
Trojans	3	3	43	37
Indians	1	5	25	55

The Green Wave Spartans finally captured their initial championship of the season May 12 by edging the Trojans, 7-5, and thereby taking the 1954 baseball title for their second consecutive diamond first place.

Dave Brown's Spartans were paced by a steady hitting outfit — a team that twice came from behind to defeat the Trojans — 3-2, and 7-5. Their lone loss was an 11-2 decision to the Indians in the initial game of the season.

Harold Rose won the batting crown with a 10-20 performance for .500 average. Chuck Taylor and Brown were right behind with .471, and Smith hit .454, while driving home 11 RBI's.

## Champion Decided In Final Two Weeks By Tennis, Ping Pong

### HOW THEY STAND

Indians	2527
Trojans	2515
Spartans	1967

With the athletic events of the year all wrapped up the Indians reign as the 1953-54 champions.

Leading by some 160 points in the unofficial tabulation three weeks ago, the Redmen managed to stave off a last minute rush by the Trojans.

Men's ping pong, field day and men and women's tennis decided the outcome.

Don Mathews, Spartan, took the tennis crown from Chuck Taylor, Spartan, and Dave Brown, a Spartan, won third place from Paul Stinnette, Indian.

In baseball, the Trojans grabbed second while the Indians were last; in men's ping pong, Darrell Holland (Spartan) was champion, Paul Stinnette (Indian), runnerup, and Chuck McCullough (Indian), third place. The Trojans grabbed both men and women's track, and the Trojans snared the first two positions in women's tennis — Mary Jo Cannon, Bev Hickler, and Phyllis McGraw.

## Dug-Out Dope

BY MAXINE DAWSON

The final rush of the school year is under way, and as you struggle through those last few reports, read the collateral that should have been done a month ago, sign a few hundred Auroras, and in your spare moments "cram" for your finals — you realize the time has once more rolled around to bid farewell to ONC.

\* \* \*

After looking at the list of engagements it seems that quite a few couldn't bear the thought of saying good-bye. Jackie Spencer and Don Watson, Lois DuVall and Jim Knox, Marilyn Lane and Marvin Hoffert, Marilyn Cotner and Benny Shaw, Camillia Marsh and Jack Jones, Carolyn Eckley and Dave Miller, Carol Burris and Al Wells, Phyllis McGraw and Lester King, Hannah Copeland and Gene Houchin. Congratulations!

\* \* \*

There are those happy hours that we treasure with our friends. But by the ticking of the clock there has to be an end .... And so must this column come to an end. Before we

go may we extend Congratulations and Best Wishes for your success to all the '54 graduates. See the rest of you next September.

HAPPY VACATION!

Good-Bye Season  
BY JOE HERDLER

With the green and the cheer Comes the time of the year When the profs' wits reach their ends.

And the kids, hand in hand Stroll through spring's wonderland

With a hint that they're more than just friends.

Oh, it's all very gay But with each passing day Comes a thought not so dear to the heart.

That too soon time will fly To that place of good-bye When the gang 'round the campus must part.

There is a right price for everything and to go below that price is to invite dissatisfaction and court trouble. It is practically impossible to cut a price without "cutting a corner." You can be sure that when prescribed medicine is offered at "cut prices," there is almost certain to be an accompanying cut in either the quality of the ingredients used or in the service rendered. Our prescription prices are always fair and square — right to the penny — because they are based upon cost of quality ingredients plus a nominal fee for professional service. Any departure from such a practice is not in the best interests of your good health and well-being.

## 650 Olivetians Attend Banquets

Approximately 650 Olivet students and guests attended various banquets, dinners, and luncheons during the first half of May.

The annual junior-senior banquet was held at the Sherry Hotel in Chicago May 8 with approximately 200 present. Dr. Hiram J. McLendon, an Olivet graduate of 1941, was the speaker.

Also on May 8, the freshman class climaxed their first year by giving the sophomores their traditional party. This year's theme was "Teddy Bear's Picnic." Nearly 200 students gathered in the Bradley gymnasium to witness a splendid program, climaxed by Sam Berland's magician act.

## English Guild Has Dinner

Olivet's English Guild, under the leadership of Gene Foiles, ended its year with a smorgasbord dinner at Kungsholm in Chicago May 11. Twenty-two members and guests were entertained following the meal by Kungsholm's Miniature Grand Opera, "LaBoheme."

Mrs. Winona Kell, club sponsor, and daughter Pat, Prof. and Mrs. McClain, Dr. and Mrs. Coral Demaray, and Prof. Jim Johnson were among the guests.

May 9, 24 members of the Brass Choir journeyed to Tiebels Restaurant for dinner. Toast master for this affair was Bruce Phillips, president of the Brass Choir.

## Dr. Larsen Speaker

Dr. Walter B. Larsen spoke to a group of 31 at the Gale Organ Guild banquet on May 11 at the Yester-year restaurant in uptown Kankakee.

Ross Emerick, Nazarene evangelist and graduate of E.N.C., was the featured speaker at the "O" Club banquet May 15 at the Spinning Wheel in Hinsdale, Ill.

Emerick was a candidate for the All-American basketball team while at the University of Pittsburgh. About 90 persons attended this annual semi-formal affair.

Also on May 15 the Theological Certificate group, sponsored by Mrs. Wanda Donson, had 65 attend their banquet at Kankakee's Yesteryear. Dr. Ralph E. Perry, pastor of Hammond First Church, was the guest speaker.

Approximately 350 attended the second annual Chicago Central District NYPS banquet May 7 at Small's Civic Auditorium in Kankakeeland. Dr. Faye M. Whitsell, eye physician and surgeon from Chicago First Church, was the speaker.

## Banquet Season

A FAMILIAR SCENE among Olivet College students the past couple of weeks has been like the one above taken at the junior-senior banquet May 8. Harry Romeril, toastmaster, addresses the 200 who attended the affair. —(Glimmerglass Photo.)

## Later Banquets In May

Olivet's junior Academy class will sponsor a semi-formal banquet for the graduating seniors at 6 p. m., May 29.
